

PUBLIC INFORMATIONAL MEETINGS

Interstate 93 Bow-Concord Improvement Project

The New Hampshire Department of Transportation (NHDOT) is conducting Preliminary Engineering and Environmental Review of proposed improvements to the Interstate 93 (I-93) corridor through Bow and Concord. Two Public Informational Meetings are being held, one in Bow and one in Concord, to present the potential corridor and interchange concepts under consideration. Each meeting will begin with an Open House where Concepts will be displayed for viewing and questions can be answered. A formal presentation will follow with opportunities for the public to ask questions.
