

SUNCOOK VALLEY TRAILS VISIONING SESSION

WHEN

**Wed, January 16
6 – 7 PM**

WHERE

Epsom Public Library
1606 Dover Road, Epsom

PLEASE JOIN US

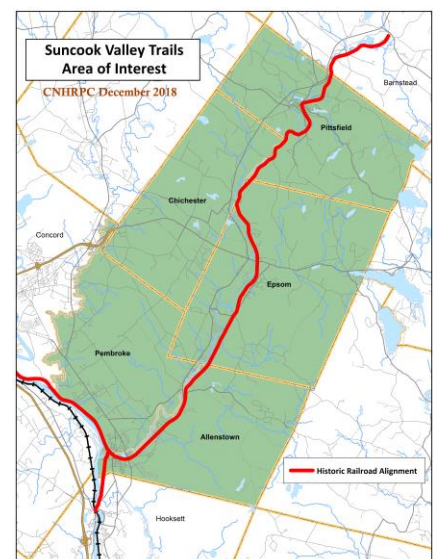

For initial discussions about existing and potential trails in the Suncook Valley and how a connected trails system could enhance our communities. Some of the questions to be considered include:

- Where are recreational trails located?
- What are the challenges of trail usage?
- What are the opportunities for new trails projects?
- Can we tie our Suncook Valley Railroad history into economic development strategies?

ALLENSTOWN,
PEMBROKE,
EPSOM,
CHICHESTER,
PITTSFIELD

PURPOSE

This brief Visioning Session seeks to begin engagement of community members over a series of meetings in early 2019. With your input, the development of a Suncook Valley Trails Plan will help our communities evaluate existing trails and trail usage, identify potential new trail projects, and investigate existing and potential rail-trail use along portions of the historic Suncook Valley Railroad alignment.
