# CHICHESTER SUNCOOK VALLEY TRAILS

## Trails Experiences Questionnaire- Anonymous Summaries, Jan-Jun 2019

We invite you to answer the following questions regarding your trail usage experiences in Pembroke, Allenstown, Chichester, Epsom and Pittsfield or other Suncook Valley Railroad corridor communities.

<p>What Town do you live in?</p> <p style="text-align: center;"><b>CHICHESTER</b></p> <p>Number of Respondents: <b>2</b></p>	<p>How do you enjoy the local trails? Check all that apply.</p> <p><input type="checkbox"/> Hike or Walk</p> <p><input type="checkbox"/> Bike</p> <p><input type="checkbox"/> Snowmobile</p> <p><input type="checkbox"/> Motorized</p> <p><input type="checkbox"/> Horses</p> <p><input type="checkbox"/> Trail Landowner</p> <p><input type="checkbox"/> Other:</p> <p>+</p> <p>+</p> <p>+</p>
<p>Where do you use trails in the Suncook Valley?</p> <p>Are they public trails, private trails or informal trails?</p>	<p><i>Please be as specific as you can, with Town names, road or trail names, landmarks, conservation lands, former railbed, locations, etc.</i></p> <p>+</p> <p>Comments are based on my experience trying to create a walking trail system from the Pembroke border to Carpenter Park.</p> <p>+</p> <p>Town lands. Private lands, snowmobile trails.</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p>
<p>Are there any difficulties or conflicts you encounter when using the trails?</p>	<p>+</p> <p>If a trail system is to be created in Chichester, it needs the enthusiastic endorsement of the Board of Selectmen. They have to be cheerleaders. This is most important when 1 property owner blocks use where 15 other owners have given permission and the 1 makes it impossible to join two pieces of a trail together.</p> <p>+</p> <p>In addition to posting signs noting that ATVs are prohibited, there has to be enforcement. Local police need to photograph and record license numbers of vehicles at trailheads where it is obvious that the vehicle transported an ATV to the trailhead.</p> <p>+</p> <p>Some trails posted as "no summer use."</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p>
<p>What types of trail activity (uses) are most appropriate for your Town?</p>	<p>+</p> <p>Hiking, biking, snowshoeing, horseback, snowmobile.</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p>
<p>Are there scenic or historic areas you'd like to access by trail?</p> <p>Can the former Suncook Valley Railroad bed be accessed?</p>	<p>+</p> <p>Not really in Chichester, access on Depot Road to Epsom.</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p> <p>+</p>
<p><i>Destinations examples: School, water body, Town Center, park, conservation land, etc.</i></p>	

<p>Are there any connections to a destination you would like a trail to make?</p>	<ul style="list-style-type: none"> <li>✦ School, Park, Town Fields, Town Hall, Madeline Sandborn Conservation Area.</li> <li>✦</li> <li>✦</li> <li>✦</li> <li>✦</li> <li>✦</li> <li>✦</li> <li>✦</li> </ul>
<p>Where should new trail projects be considered? What should be the uses for the trail(s)?</p>	<ul style="list-style-type: none"> <li>✦ Chichester has many landowners who receive tax breaks for current use and have also guaranteed that their land is open for snowmobiling, hiking, etc. in order to get even more tax reduction. No additional permission is needed from them although a notice should be sent.</li> <li>✦ Betweenk Town properties along Main Street. Uses: multiple use.</li> <li>✦</li> <li>✦</li> <li>✦</li> <li>✦</li> <li>✦</li> <li>✦</li> </ul>
<p>Can you forsee any economic development opportunities related to trails and trail connections?</p>	<ul style="list-style-type: none"> <li>✦ Destinations with trail services: food, restroom facilities, other activities.</li> <li>✦</li> <li>✦</li> <li>✦</li> <li>✦</li> <li>✦</li> <li>✦</li> <li>✦</li> </ul>

# EPSOM SUNCOOK VALLEY TRAILS

## Trails Experiences Questionnaire- Anonymous Summaries, Jan-Jun 2019

We invite you to answer the following questions regarding your trail usage experiences in Pembroke, Allenstown, Chichester, Epsom and Pittsfield or other Suncook Valley Railroad corridor communities.

<p>What Town do you live in? <b>EPSOM</b></p> <p>Number of Respondents: <b>9</b></p>	<p>How do you enjoy the local trails? Check all that apply.</p> <p><input type="checkbox"/> Hike or Walk      7</p> <p><input type="checkbox"/> Bike                      4</p> <p><input type="checkbox"/> Snowmobile          1</p> <p><input type="checkbox"/> Motorized</p> <p><input type="checkbox"/> Horses                  1</p> <p><input type="checkbox"/> Trail Landowner</p> <p><input type="checkbox"/> Other:                    1</p> <p>+ Wildlife              1</p> <p>+ Snowshoe            1</p> <p>+ With Dogs            1</p>
<p>Where do you use trails in the Suncook Valley? Are they public trails, private trails or informal trails?</p>	<p><i>Please be as specific as you can, with Town names, road or trail names, landmarks, conservation lands, former railbed, locations, etc.</i></p> <p>+ Espom -&gt; Enter at Water Street, walk 2.5 miles N or S. Allenstown, Bear Brook State Park.</p> <p>+ Biking on existing rail trail: Epsom Town portion &amp; Chichester portion Depot Road to Webster Mills.</p> <p>+ Don't know.</p> <p>+ Epsom rail trail Bear Brook to Goboro Road. Epsom Town Forest. (public)</p> <p>+ Epsom – Snowmobile Trails, Town Forest.</p> <p>+ I live on Black Hall Road near Rhodora Drive end. The railroad bed behind our homes is being destroyed by the large 4 wheel drive (side by sides). It's become a real noise nuisance &amp; danger to walkers/bikers.</p> <p>+ Blackhall Road area.</p> <p>+ Blueberry Express railbed, trails in Epsom Town Forest, trails around Webster Park.</p> <p>+ Informal trails.</p>
<p>Are there any difficulties or conflicts you encounter when using the trails?</p>	<p>+ Soft sand.</p> <p>+ Not laid out for bike currently.</p> <p>+ Illegal OHRV activity.</p> <p>+ ATV traffic (not permitted).</p> <p>+ Epsom Police Dept states no motorized vehicles should be back there (railroad bed behind Black Hall Road near Rhodora Drive).</p> <p>+ ATVs.</p> <p>+ Connectivity, information and safety. The walking trails I know of are short and it is hard to find information on them—you have to just stumble across them. I would like to bicycle, but don't feel like it is safe in Epsom because of a lack of road shoulders, traffic going too fast, etc.</p> <p>+ Water crossings. Landowner resistance, poor footing [horses].</p>
<p>What types of trail activity (uses) are most appropriate for your Town?</p>	<p>+ Walk, bike, snowmobile, horses. NOT motorized.</p> <p>+ Biking, horseback, snowmobile.</p> <p>+ Bike, walk, snowmobile (no 4 wheelers- motor).</p> <p>+ Non-motorized. Winter snowmobile OK.</p> <p>+ Snowmobile, hiking, snowshoe.</p> <p>+ Walking/jogging, bicycles, snowmobile clubs. NOT dirtbikes &amp; 4 wheelers.</p> <p>+ Snowmobile in the winter, walk/bike summer.</p> <p>+ Seasonal pedestrian uses and paddling the Suncook River. Again, bicycling could be great, but our roads are not designed for it. The Suncook can be viewed as a "water trail" throughout the area as it is navigable throughout its run in Epsom.</p> <p>+ Hiking, snowmobile, mountain bike, horses, corss country skiing.</p>
<p>Are there scenic or historic areas you'd like to access by trail?</p>	<p>+ Suncook Valley Railroad bed can be accessed from numerous locations.</p> <p>+ Town Centers.</p> <p>+ Round Pond, Epsom, Suncook River.</p>

<p><b>Can the former Suncook Valley Railroad bed be accessed?</b></p>	<ul style="list-style-type: none"> <li>✦ The Suncook Railbed can be accessed in some places – as indicated on your map, but doesn't connect up to Rt 4, just dead ends.</li> <li>✦ Town Forest.</li> </ul>
<p><b>Are there any connections to a destination you would like a trail to make?</b></p>	<p><i>Destinations examples: School, water body, Town Center, park, conservation land, etc.</i></p> <ul style="list-style-type: none"> <li>✦ Town to town connection.</li> <li>✦ Epsom Town Park.</li> <li>✦ Trail connection between Epsom Central School and Webster Park and between Epsom Central School and the library across Rt 4.</li> <li>✦ Bear Brook. Other trail systems.</li> </ul>
<p><b>Where should new trail projects be considered?</b> <b>What should be the uses for the trail(s)?</b></p>	<ul style="list-style-type: none"> <li>✦ Suncook Valley sections should be connected.</li> <li>✦ All RR beds should be converted and State needs to put into funding plans.</li> <li>✦ Multi-use, non-motorized.</li> <li>✦ There is already a snowmobile trail going through town. I think we need more trails for non-motorized uses. I would prioritize making the connections between Webster Park and the library.</li> <li>✦ Existing Trails.</li> </ul>
<p><b>Can you foresee any economic development opportunities related to trails and trail connections?</b></p>	<ul style="list-style-type: none"> <li>✦ Develop the trails and the people will come.</li> <li>✦ Probably, but not specific ideas.</li> <li>✦ Yes, tourism.</li> <li>✦ Better quality of life.</li> <li>✦ I think a trail from Webster Park to the library would enhance opportunities for recreation in Epsom and make it a more attractive place to live. I think that this would lead to economic development activities, but an even longer trail- connecting to Carpenter Park in Chichester for instance, would be even better to draw trail related businesses such as bicycle and kayak/canoe rentals.</li> <li>✦ Absolutely!</li> </ul>
<p><b>Anything else you'd like to share?</b></p>	<ul style="list-style-type: none"> <li>✦ Multi-use is good!</li> <li>✦ Most of these projects take too long to develop.</li> <li>✦ Own a sign business and would be willing to donate time and materials within reason.</li> <li>✦ Run local social pages, Epsom news and could help with announcements.</li> </ul>
